SPONSOR AND EXHIBITOR PROSPECTUS

We are excited to celebrate the **14th Anniversary** of our **Annual Benefits Forum** on Wednesday, November 28th at the Irving Convention Center.

You are invited to play a key part in our celebration by participating in this premier educational and networking event.

Together we will help Texas employers and their strategic partners design value-based benefits and health management programs that are right for their company. The Forum provides valuable opportunities to learn new ideas, evidence-based solutions and best practices that can help employers purchase high value healthcare, improve employees' overall health and well-being, reduce their health risks and manage chronic conditions more effectively, while controlling healthcare costs.

We are expecting nearly 500 attendees at this year's event, including corporate benefits managers, HR executives, corporate medical directors, health plan representatives, benefits consultants, healthcare providers, pharmaceutical manufacturers, PBMs, wellness and disease management organizations, and other health services providers.

As a Forum supporter, you will enjoy exceptional opportunities to build advantageous business relationships with key corporate decision-makers responsible for human resources, employee benefits and health management programs. This also will be an ideal way to increase your organization's visibility and highlight your commitment to value-based benefits and healthy, productive employees.

Sponsor and Exhibitor opportunities are limited and available on a "first come" basis. **Space will sell out quickly, so ACT NOW!** Limiting the number of Sponsors and Exhibitors optimizes the opportunity for attendees to meet you and learn more about your innovative products and services.

Please complete and return the attached **Agreement** along with your payment today. You may pay by check or credit card. Mail, email or fax your completed registration form to DFWBGH with your payment information to reserve your spot.

I'm confident that your participation will be immensely rewarding for you and your company. Thank you very much for supporting and participating in our 14th Annual Benefits Forum.

Sincerely,

Marianne Fazen, PhD
Executive Director
